Certificate No. 1

Issued September, 1934.

UNITED STATES DEPARTMENT OF AGRICULTURE  
AGRICULTURAL ADJUSTMENT ADMINISTRATION

CERTIFICATE

----

I, H. A. Wallace, Secretary of Agriculture of the United States of America, acting under and pursuant to an Act of Congress, known as the Agricultural Adjustment Act, approved May 12, 1933, as amended, after investigation and due notice and opportunity for hearing to interested parties, and due consideration having been given to all the facts, do hereby find that peanut oils (i.e. oils obtained from the crushing of peanuts), a class of peanut products, are of such low value, considering the quantity of peanuts used for their manufacture, that the imposition of the processing tax would prevent in whole or in large part the use of peanuts in the manufacture of such products and thereby substantially reduce consumption and increase the surplus of peanuts; and

I do hereby certify the foregoing finding to the Secretary of the Treasury; and

I do hereby specify to the Secretary of the Treasury that such result will, in my judgment, most effectively be prevented by the suspension of the imposition of the processing tax with respect to such amount of peanuts or any products thereof as are used in the manufacture of peanut oils.

IN TESTIMONY WHEREOF I have hereunto set my hand and caused the official seal of the Department of Agriculture to be affixed in the City of Washington, this 24th day of September, 1934.

*H. A. Wallace*

Secretary of Agriculture.
